Overall Review. The R850R is a great machine, BMW technology perfected except for a slight clunky gearbox. Smooth and fast enough for all back to Biking like myself and an absolute bargain on the second hand scene if you get a clean well looked after one.

BMW's take on the cruiser market is expectedly different, but that lacklustre engine kills it before it even breathes.

Passable as a styling exercise (for Geography teachers), but as little else. Seats: 0: Suspension Front:
