Osmer surveys early church practices of confirmation and offers a comprehensive discussion of the particularities of the Protestant experience of confirmation, including Presbyterian, Episcopal, Lutheran, and Methodist practices. He discovers a need for a renewed understanding of confirmation in today's church.

Confirmation | POV Resource Center

The Confirmation Project, founded in 2014 and led by Princeton Seminary alumnus Katie Douglass, "seeks to learn the extent to which confirmation practices in five Protestant denominations in North America are effective for strengthening discipleship in youth." One of its major purposes is "to offer new theological thinking about confirmation and equivalent practices, inviting congregations to think in fresh ways about the nature of Christian discipleship and young people."

It was his third book, Confirmation: Presbyterian Practices in Ecumenical Perspective, that garnered major critical attention. In Confirmation, Osmer discusses the religious practice of confirmation and its failures, noting that only fifty percent of confirmed practitioners remain adherents throughout their lifetimes.

Osmer, Richard Robert 1950- | Encyclopedia.com

While catechisms are sometimes used in Presbyterian confirmation programs today, this is much less common than in the past, when confirmation classes often studied the Westminster Shorter Catechism. 6 While the EM confirmation program values the personal, relational, and experiential dimensions of faith, it does not consider them the primary goal of confirmation. Rather, it affirms the importance of helping young people sort out what they believe in dialogue with an authoritative statement ...
