How to Architect - YouTube

The basics of the profession and practice of architecture, presented in illustrated A-Z form.The word "architect" is a noun, but Doug Patt uses it as a verb--coining a term and making a point about using parts of speech and parts of buildings in new ways. Changing the function of a word, or a room, can produce surprise and meaning.

How to Architect | Bookshare

Doug Patt’s advice for aspiring architects: You learn about design in school, but once you begin your career as an architect, design has very little to do with the entire job. As a student, try to get work in an office or participate in a work-study program to get a sense of what real-life work is like and what architecture school can teach ...
