common sense no strange semi crazy ideas (I had another book that told me to scream into a mirror before going into a interview to let my rage out.

Amazon.com: Customer reviews: Job Interviews For Dummies

This book covers absolutely every possible situation that could arise during the job search. I read this resource, applied for job postings, and received a call for a phone screening for an open position. Because of the information in Job Interviews for Dummies, I did great on the phone screening and was called in for a second interview.
