### Social Reproduction The Political Economy

Book Description This book focuses on the relationship between the process of producing commodities and the process of social reproduction of the labouring population, and seeks to restore that problematic relationship to the central place it had in the analysis of Smith, Ricardo, and Marx.

### Social Reproduction: The Political Economy of the Labour ...

Feminist political economy has mobilized the concept of social reproduction as a way of insisting that the activities involved in establishing and maintaining households and families are central social and economic processes.

### Social Reproduction: Feminist Political Economy Challenges ...

An important characteristic of labor that distinguishes it from capital is that it bears the costs of its own sustenance, the extent to which it does so varying with different institutional arrangements. Economic theory has generally overlooked this, one consequence being that it has neglected...

### Social Reproduction: The Political Economy of the Labour ...

Zo Randriamaro. The political economy of care centres on the unpaid work of African women in socially reproducing workers as well as caring for the sick in society. Social mobilization and policy actions to overcome the crisis of reproduction is necessary to address this unpaid work that is vital for the perpetuation of neoliberal capitalism. The concept of social reproduction – that is the process that makes it possible for individuals, families, and society itself to continue ...

### The hidden crisis: Women, social reproduction and the ...

Poland’s ‘unusual space in wider political economy’ (p. 658) presents important insights into variegated social reproduction, sharing features with both the global South (its transition to neoliberalism through a set of rapid policy interventions) and the global North (its high levels of development) while remaining different from both, with historical and social sedimentations rooted in its past as a part of the former Communist bloc.

### Re-thinking Social Reproduction: Crises, Contradictions ...

Social reproduction theory, in its many iterations, whether called so consciously or not, is about that relationship. Lise Vogel, in her now classic 1983 Marxism and the Oppression of Women , was the first to pick out the key move effected by Benston in establishing this relationship—giving domestic labor, and thereby the family, a theoretical status.

### Monthly Review | Liberating Women from “Political Economy”

The pandemic as a crisis of social reproduction. The feminist theorist Nancy Fraser has observed how capitalism, in its different phases, has always been sustained by distinct regimes of social reproduction; that is, a set of reproductive social relations and institutions able to regenerate capitalist life across its varied historical moment. For instance, across much of the western world, the neoliberal global phase has seen the rise of a commodified, market-based regime of social ...

### A crisis like no other: social reproduction and the ...

Yet, neither constitutional equal protection nor statutory employment discrimination law acknowledges that the separate spheres tradition formed the infrastructure of social reproduction in our political economy. Mothers at homeraised the next generation of citizens-workers without pay or rights.

### Social Reproduction « Law and Political Economy

Social reproduction is a big idea. And like all big ideas, it appears in many guises, refashioned time and again to fit specific problems arising in distinct fields of research. We see social reproduction theories cropping up, for instance, within Education, Psychology, Sociology and Political Economy.

### 'Social Reproduction Theory: What's the Big Idea?' by ...

Crucially, this economic and political game is played against the life-saving efforts of reproductive workers; particularly health workers who, worldwide, in the UK, the U.S., Italy, Iran, India, and elsewhere, lack much needed protective equipment.

### MR Online | A crisis like no other: social reproduction ...

Whilst most approaches theorize global political economy from the perspectives of power and production or states and markets, this work argues that what feminists call social reproduction is a more basic framework, upon which most forms of power and production, and states and markets, must necessarily rest.

### Power, Production and Social Reproduction: Human In ...

Michael Burawoy (1979), for example, pointed out that an important dimension of the political economy of migrant labour is that the social reproduction of families and communities takes place...

### Whose Social Reproduction? Transnational Motherhood and ...

A five-year interdisciplinary, cross-sectoral project to re-theorise the normative, empirical, regulatory and political dimensions of social reproduction in India (2018-2023) Our Objectives Feminist scholars have long demonstrated the invisibility of women’s reproductive labour, performed in bearing and raising children, maintaining ...

### About the Project - Laws of Social Reproduction

This article discusses social reproduction in terms of the household and family. It explains some of the terminology that is needed to understand the key debates and then shifts to the political economy of social reproduction and the relationship between capitalism and patriarchy.

### Households, Families, and Social Reproduction - Oxford ...

Social reproduction is a big idea. And like all big ideas, it appears in many guises, refashioned time and again to fit specific problems arising in distinct fields of research. We see social reproduction theories cropping up, for instance, within Education, Psychology, Sociology and Political Economy.

### Social Reproduction: What's the big idea? - Radical ...

ABSTRACT Feminist scholars have critically demonstrated the links between the global political economy, social reproduction and gender-based violence. This article builds on this scholarship by investigating restrictions to reproductive freedom and their connection to the depletion of women’s bodies in the global political economy.

### Invisible labor, invisible bodies: how the global ...

Antonella Picchio's (1992) now classic, Social Reproduction: The Political Economy of The Labour Market, argues that capital accumulation depends upon the socio-spatial separation of production from reproduction, but that the two are interconnected and interdependent in practice (1992, p. 9).

### Introduction: Feminist geographies of social reproduction ...

Social reproduction describes the reproduction of social structures and systems, mainly on the basis of particular preconditions in demographics, education and inheritance of material property or legal titles (as earlier with aristocracy). Reproduction is understood as the maintenance and continuation of existing social relations.
