Gamers continue hearing sound effects like screams and explosions long after they've stopped playing. It's called Game Transfer Phenomena.

Gamers Continue to Hear Sound Effects After They've ...

I'm planning to expand this library's content as much as possible, and doing so takes a great amount of time, and calls for new virtual instruments and tools to create songs in rich and different sound. My current goal is to keep adding more songs in different genres into this library as well as creating environmental sound effects in high quality.
