Volunteering Development Ifrc

Volunteering development takes time and requires commitment. For a National Society, a volunteering development effort is a long term investment and commitment. It begins with analyzing the current state of how it manages and supports its volunteers. Taking the analysis into a process to put in place, improve or change the practice of volunteer management.

Volunteering development - IFRC

The IFRC's volunteering development programme provides Red Cross and Red Crescent Societies with tools and resources to provide a favourable internal and external environment that encourages and facilitates the work of volunteers, as well as promotes volunteerism across all sectors of civil society.
